During the meeting the trainers focused also on how to develop the content of the legal materials for the trainings that will be organized in 2017 in Romania and in Bulgaria; how trainers should interact / what methods to use when delivering the legal data towards the events' participants (lawyers, prosecutors, judges). The draft training curricula/program was prepared by the Romanian legal trainer (Ms Silvia Berbec) and the necessary agreements were made during the meeting with the rest of the trainers.
